June

Prairie and Grassland Biomes

Wednesday, June 8
4:00 PM to 5:00 PM
Thursday, June 16
10:00 AM to 12:00 PM

Amber - Violet waves of the most nutritious and beneficial grasses and forbs on earth; carry a legend so vast it would take a lifetime to understand it all. Come spend time learning all they can do for you. Visitors will leave with not just knowledge, but with free literature, coloring page, and a take home arts & crafts activity.

Bird Banding

Citizen Science

Bird banders capture, weigh, band, and record our wild birds for three hours. Visitors are given the opportunity to release them back to the wild.

Missouri Reptiles

Friday, June 10
4:00 PM to 5:00 PM
Saturday, June 18
10:00 AM to 12:00 PM

The epic tale of dinosaurs remains with us today. Identification, behavior, diversity, and value will be discussed at great length. Learn why certain cultures revere them instead of fear them! Visitors will leave with not just knowledge, but with free literature, coloring page, and take home arts & crafts activity.

Everyone of all ages welcome!

Program & literature are **FREE!**
For all programs, times are flexible to accommodate all ages. We look forward to seeing you.

Returning this fall due to popular demand!

*Special Note: High winds and rain can make it hard to net our birds, so in case of this type of inclement weather, banding is typically postponed until the following Sunday. If there is a chance of inclement weather, please contact one of our volunteers to inquire:
