July

Program & literature are **FREE!**

For all programs, times are flexible to accommodate all ages. We look forward to seeing you.

Raptors

Wednesday, July 6
4:00 PM to 5:00 PM

Thursday, July 14
10:00 AM to 12:00 PM

Raptors are the honored birds of kings and queens, and one is our national symbol. They range from the very wise to the exquisite! Learn why some species have declined, and why there is now support for population recovery. Visitors will leave with not just knowledge, but with free literature, coloring page, and a take home arts & crafts activity.

Insects

Friday, July 8
4:00 PM to 5:00 PM

Saturday, July 16
10:00 AM to 12:00 PM

Chewing, biting, stinging, and singing! Missouri's insects rule the summer months! Learning how we really need them just as much as they need us, makes for an eye opening experience. Visitors will leave with not just knowledge, but with free literature, coloring page, and take home arts & crafts activity.

Bird Banding

Citizen Science

Bird banders capture, weigh, band, and record our wild birds for three hours. Visitors are given the opportunity to release them back to the wild.

Returning this fall due to popular demand!

*Special Note: High winds and rain can make it hard to net our birds, so in case of this type of inclement weather, banding is typically postponed until the following Sunday. If there is a chance of inclement weather, please contact one of our volunteers to inquire:
