Free Programs

Suitable for all ages

Free Information

Handouts and brochures

Bird Seed and Gifts

Highly Trained Volunteers

Learn all you wanted to know about our wild resident and migratory birds, and other wildlife

Bonnie the Biologist

Everyone of all ages welcome!

Program & handouts are **FREE!**

For all programs, times are flexible to accommodate all ages. We look forward to seeing you.

November

Winter's Birds

Wednesday, November 2
10:00 AM to 12:00 PM
Friday, November 4
10:00 AM to 12:00 PM

We've all heard that birds go south for winter, but many birds coming from Antarctica and Northern Canada consider Missouri as their warm vacation home from November to March. That's right! They range from petite and colorful to impressive and "snowy" white.

Winter's Gardens

Thursday, November 10
10:00 AM to 12:00 AM
Saturday, November 12
10:00 AM to 12:00 AM

Did you know the most effective time to plant native flowers and grasses for spring and summer is in the winter? Imagine everything you need to know and have to successfully plant natives in winter. We'll even send you home with a little "present" for your yard.

Bird Banding

Everyone of all ages welcome!

Program & handouts are **FREE!**

Citizen Science

Bird banders capture, weigh, band, and record our wild birds for three hours. Visitors are given the opportunity to release them back to the wild.

Saturday, December 5
Saturday, January 9
Saturday, February 6
Saturday, March 5
10:00 AM to 1:00 PM

Special Note: If high winds and rain make it hard to net our birds, Dana Ripper and Ethan Duke from Missouri River Bird Observatory will give us a presentation in lieu of banding our birds.
