Poisonous Plants

Thursday, September 7
10:00 AM to 12:00 PM
Saturday, September 9
10:00 AM to 11:00 AM

Poisonous plants are more
common than we think. Learn
to identify some of our native
plants that only birds and
animals should eat from living
examples and preserved
specimens.

Spiders and Scary Insects

Wednesday, September 13
10:00AM to 12:00 PM
Wednesday, September 27
10:00 AM to 12:00 PM

The natural history and life
cycles of the largest class of
animals in the world: We need
them as much as they need us.
Bring your questions for the
real story!

Citizen Science

Bird banders capture, weigh,
band, and record our wild
birds for three hours. Visitors
are given the opportunity to
release them back to the wild.

Bird Banding

November date coming soon
December date coming soon
January date coming soon
February date coming soon
March date coming soon
10:00 AM to 1:00 PM

*Special Note: If high winds and rain
make it hard to net our birds,
Dana Ripper and Ethan Duke from
Missouri River Bird Observatory
will give us a presentation
in lieu of banding our birds.*

*For all programs, times are flexible to accommodate all ages.
We look forward to seeing you.*
