Bonnie The Biologist

April

Everyone of all ages welcome!

Program and literature are **FREE!**

Historical and Medicinal: Spring Wildflowers

Tuesday, April 16
10:00 a.m. – Noon
AND
Tuesday, April 23
10:00 a.m. – Noon

Wildflowers are alluring
and attract birds, bees and
human beings! Their
purpose in shape, color and
chemistry is reflected in
their historic names.
Landscaping ideas that
provide habitat to all will
be discussed.

Missouri's Amphibians

Thursday, April 18
10:00 a.m. – Noon
AND
Tuesday, April 30
10:00 a.m. – Noon

Learn about the primordial,
fascinating natural history
of Midwest frogs, toads,
hellbenders, and more. As
unique, beneficial and true
indicator species, they are
exemplary with
herpetologists world-wide.
Landscaping ideas that
provide habitat to all will
be discussed.

Citizen Science

Banders from the Missouri River Bird
Observatory (MRBO) gently net, identify,
record vital statistics, and uniquely band
captured birds before giving visitors the
opportunity to release them! Come and go
as you like during the three-hour program.

Returning November 2019
