Bonnie The Biologist

June

Everyone of all ages welcome!

Program and literature are **FREE!**

Think You Know Insects?

Thursday, June 13
10:00 a.m. – Noon
AND
Tuesday, June 25
10:00 a.m. – Noon

Chewing, biting, lighting, and stinging; Missouri's insects rule the summer months! Learning how we really need them, just as much as they need us, is an eye opener! Landscaping for beneficial species will be highlighted.

Missouri's Mysterious Insectivores

Wednesday, June 19
10:00 a.m. – Noon
AND
Thursday, June 27
10:00 a.m. – Noon

The mysterious natural history surrounding shrews, moles, armadillos and more is both surprising and compelling! Conservation Biology concerns will be highlighted.

Citizen Science

Banders from the Missouri River Bird Observatory (MRBO) gently net, identify, record vital statistics, and uniquely band captured birds before giving visitors the opportunity to release them! Come and go as you like during the three-hour program.
