Handouts and brochures

#### Bird Seed and Gifts

#### Helpful Volunteers

For more information  
about our programs  
and to volunteer, visit:  
[www.burroughs.org](http://www.burroughs.org)

#### Fall Forest Mammals

Thursday, October 4  
10:00 a.m. – Noon  
AND  
Saturday, October 27  
10:00 a.m. – Noon

We'll explore the life stories  
and natural history of the  
animals roaming our forests  
and neighborhoods which we  
often take for granted. Learn  
some of the surprising details  
of the iconic animals we grew  
up with and thought we knew!

#### Wetland Biomes

Thursday, October 11  
10:00 a.m. – Noon  
AND  
Thursday, October 25  
10:00 a.m. – Noon

All life begins in water. We'll  
learn about the wintertime  
dormancy and natural history  
of wetlands, from prehistory  
to present. We'll also learn  
what we can do for the flora  
and fauna dependent on these  
special places. Celebrate  
autumn with an educated  
resolve to appreciate one of  
our most vital natural  
resources!

#### Citizen Science

Banders from the Missouri River Bird  
Observatory (MRBO) gently net, identify,  
record vital statistics, and uniquely band  
captured birds before giving visitors the  
opportunity to release them! Come and go  
as you like during the three-hour program.

Returning November 2018
