Wetland Biomes

Thursday, October 24
10:00 a.m. – Noon

All life begins in water. We'll learn about the wintertime dormancy and natural history of wetlands, from prehistory to present. We'll also learn what we can do for the flora and fauna dependent on these special places. Celebrate autumn with an educated resolve to appreciate one of our most vital natural resources!

**The Canidae Family:
Wolves, Coyotes and
Coydogs**

Tuesday, October 22
10:00 a.m. – Noon
AND
Tuesday, October 29
10:00 a.m. – Noon

How does understanding the difference between these affect you? Come learn what you need to know about the conservation biology surrounding the mystique of Man's Best Friend.

Citizen Science

Banders from the Missouri River Bird Observatory (MRBO) gently net, identify, record vital statistics, and uniquely band captured birds before giving visitors the opportunity to release them! Come and go as you like during the three-hour program. 11:00 a.m. until 2:00 p.m.

Saturdays Nov. 9 and Dec. 14
